CAMP HABITAT POLICIES

UPDATED: FEBRUARY 2025

Age Requirements

Camp curriculum and activities are designed for specific age groups. Participants must be the age specified by the program on the first day of that session. NO EXCEPTIONS PLEASE.

Registration Policy

Tuition and fees must be paid in full to secure your child's place. Camp curriculum and activities are the same for each age group from week to week. To make Camp accessible to as many children as possible, you may only register your child(ren) for one session per summer.

Cancelation Policy

Once registered, *\$30 of the tuition plus the 3% credit card fee is nonrefundable*. If Camp Habitat cancels your program, a full refund will be given. If you withdraw your child six or more weeks prior to the beginning of your program, you will receive a full refund (less the \$30 non-refundable registration fee + 3% credit card fee). Cancelations six to two weeks prior to the beginning of the program will be refunded half of the program fee. No refunds will be granted to those withdrawing from a program within two weeks of the beginning of the program.

Camper Success Policy

Camp Habitat gives all of us a chance to try new things. For this to work, we all need to get along. We ask that parent/guardians review the following rules with their camper.

1. I will be respectful and kind to other campers, counselors, instructors, and camp directors.
2. I will follow the camp rules for safety. This means I will resolve conflict without violence. I will refrain from play fighting.
3. I will respect all living things. My words and actions will be respectful of people, possessions, all wildlife, and the earth.

We expect campers to live within these rules. If a participant decides not to live within this contract while at Camp Habitat, the participant's parents or guardians will be contacted to transport the camper home.
